Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant has pointed out that the AF response had been mailed within 2 months of the final action and should be given as expiration response time the date when the office Advisory action was mailed (as opposed to an expiration date being the end of 3-month from the final action as stated - box checking- in the last advisory action). This is to clarify that the advisory action's checking of a wrong box is thus believed to be an inadvertent act; and it is now confirmed that the office acknowledges the within-2-month reply as put forth above, and the record will reflect this information as indicated above
